

Declaration of Conformity

With respect to Chapter 10 of the Telecommunications Act of The Netherlands, the listed product complies with the essential requirements, in accordance with Article 3 of the Directive 1999/5/EC.

Technical Standards and Specifications The product shows no non-compliances with: EN 300 328-2 July 2000 FN 1.1.1 EN 301 489-1 August 2000 FN 1.1.1 EN 301 489-17 September 2000 August 1992 A1, A2, A3, A4, A11 Technical Features and Characteristics The product includes the following features and characteristics: Operating frequency-range: 2.4 – 2.4835 GHz Maximum measured RF output peak power: 17.0 dBm ERP Modulation method(s) DSSS: BPSK, QPSK, CCK The following importer/manufacturer is responsible for this declaration: Company Name Trendware International Company Address: 3135 Kashiwa Street, Torrance, CA 90503 USA	· ·		11Mbps Wireless USB LAN Card TEW-204UB			
Article 3.1 The protection of the health and safety of the user and other person, including the objective respect to safety requirements contained in Directive 73/23/EEC, but with no voltage applying The protection requirements with respect to electromagnetic compatibility contained in D 89/336/EEC Article 3.2 Article 3.2 Article 3.2 The product shall be so constructed that it effectively uses the spectrum alloce terrestrial/space radio communication and orbital resource so as to avoid harmful interference. Technical Standards and Specifications The product shows no non-compliances with: EN 300 328-2 July 2000 VI.1.1 EN 301 489-1 August 2000 VI.2.1 EN 60950 August 1992 A1, A2, A3, A4, A11 Technical Features and Characteristics The product includes the following features and characteristics: Operating frequency-range: 2.4 – 2.4835 GHz Maximum measured RF output peak power: 17.0 dBm ERP Modulation method(s) DSSS: BPSK, QPSK, CCK The following importer/manufacturer is responsible for this declaration: Company Name Trendware International Company Address: 3135 Kashiwa Street, Torrance, CA 90503 USA Telephone 310-891-1100 Facsimile President Name(Full Name) Position/Title						
Article 3.2 The radio product shall be so constructed that it effectively uses the spectrum alloc terrestrial/space radio communication and orbital resource so as to avoid harmful interference. Technical Standards and Specifications The product shows no non-compliances with: EN 300 328-2 July 2000 V1.1.1 EN 301 489-1 August 2000 V1.2.1 EN 301 489-17 September 2000 V1.1.1 EN 60950 August 1992 A1, A2, A3, A4, A11 Technical Features and Characteristics The product includes the following features and characteristics: Operating frequency-range: 2.4 - 2.4835 GHz Maximum measured RF output peak power: 17.0 dBm ERP Modulation method(s) DSSS: BPSK, QPSK, CCK The following importer/manufacturer is responsible for this declaration: Company Name : Trendware International Company Address : 3135 Kashiwa Street, Torrance, CA 90503 USA Telephone : 310-891-1100 Facsimile : 310-891-111 Person responsible for marking this declaration: Pei Huang President Name(Full Name) Position/Title	Article 3.1 ✓	The protection of respect to safety applying The protection re	the health and safety of requirements contained	the user and other person, in Directive 73/23/EEC,	ncluding the objectives with but with no voltage limit
