

Laptop Backpack TA-NC3 (V1.0R)

The versatile Laptop Backpack (model TA-NC3) is designed to protect netbooks and laptops with screens up to 15.4" wide. The backpack features adjustable ergonomic shoulder straps, extra padding around that laptop compartment, durable protective stitching, lower back support padding, and a comfortable carrying handle.

Stay organized with a total of 8 storage zones- plenty of room for books, paper, pens, MP3 players, and more. Convenient front accessory pockets are perfect for quick access to mobile phones, business cards, and USB flash drives. A headphone cord pass-through allows users to listen to music while their MP3 player is stored in the backpack.
