TRENDNET®

2U 19-inch Hinged Wall Mount Bracket

TC-WP2U (v1.0R)

- 2U 19-inch wall mount bracket
- Sturdy steel construction
- Hinged design for easy access
- Perfect for rack mounting patch panels and PDU power strips
- Use with TRENDnet TC-P24C6 and TC-P16C6 patch panels (sold separately)
- 14cm (5.5 in.) maximum depth

TRENDnet's 2U 19-inch Hinged Wall Mount Bracket, model TC-WP2U, is ideal for rackmount equipment such as patch panels and PDU power strips. This 2U wall mount bracket features a hinged design for easy access to the back of the mounted equipment. Constructed of sturdy steel, this space-saving 2U wall mount bracket is perfect for compact installation environments lacking the space for a full-sized equipment rack.

TRENDnet®

Hinged Design
Designed for easy access to the back of mounted equipment.

2U Wall Mount
