# TE-16XP
High Performance Ethernet Adapters

The TE16XP Plus Series High Performance Ethernet adapter features NE2000 compatibility, jumperless configuration, easy to use configuration/diagnostic software, and drivers for all popular network operating systems. In addition, industry standard NE2000 compatibility ensures operation with virtually all software in use today.

The TE16XP Plus Series outperforms every other card tested in it's price range. Backed by a 5 year warranty, TRENDware's TE16XP Plus Series is the best high performance Ethernet adapter available at any price.
