

10/100Mbps 40GB Network Attached Storage Server with Single Port Print Server

TS-D40G

TRENDnet's TS-D40G, a compact-size, auto-sensing 10/100Mbps, 40 Gigabyte network attached storage (NAS) server, is the simple and affordable network storage and printer sharing solution for networks running TCP/IP and/or AppleShare protocols. The TS-D40G's enhanced features such as long filename, double-byte character, and disk quota support, add versatility while its diagnostic indicators and backup utility continually protect your valuable data. Medium-sized LAN and workgroup users can begin accessing expanded network storage capacity and a shared printer in minutes with the TS-D40G's quick setup and configuration utility using standard web browser.

FEATURES

- 10/100Mbps auto-sensing RJ45 port supports both Ethernet and Fast Ethernet networks
- Industry standard major-brand EIDE 40 Gigabyte Hard Disk Drive
- SMB/CIFS over TCP/IP and AppleShare protocols
- Support Windows 95/98/ME/NT/2000 and Macintosh 7.5 or later network clients
- Built-in Print Server for one parallel port printer
- Quick Setup Utility for Windows 95/98/ME/NT/2000
- Web Browser configurable (using Internet Explorer or Netscape Navigator)
- Full Administrator Control via User Name, User Group, Share Folder, and Access Right
- Support DHCP Server & Multi Segment LAN
- Extensive LED status/diagnostic indicators
- Support long file name, double byte character, and disk quota
- Firmware upgrade can be done from any PC on the LAN
- Optional Hard Disk Drive installation kit
- 3-year Warranty (1-year warranty on Hard Drive)

TREND SPEC'S

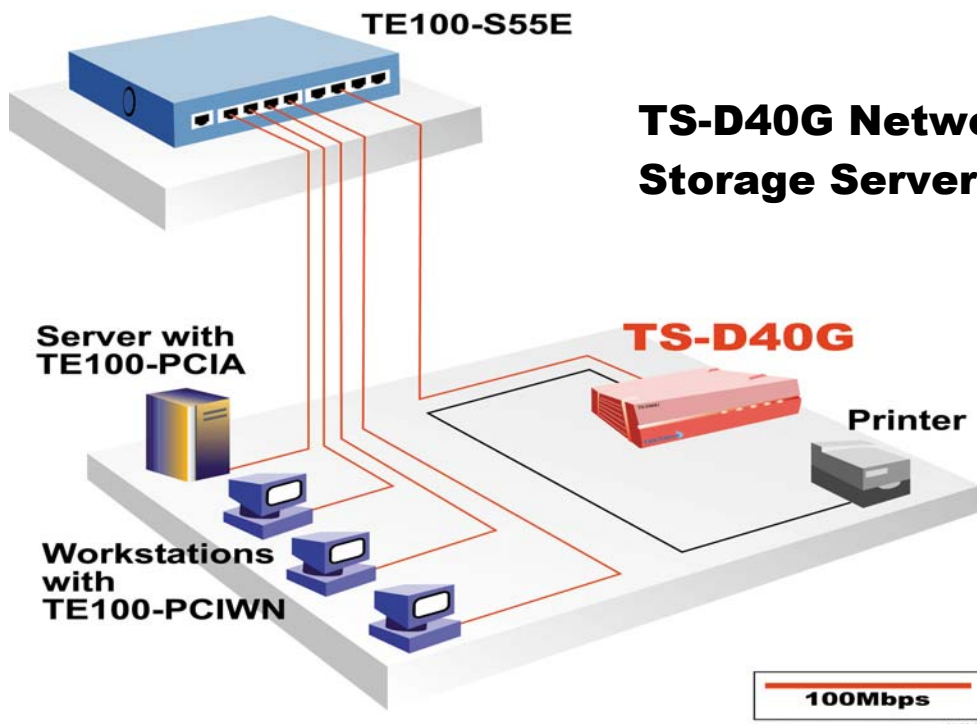

Protocol:	SMB/CIFS over TCP/IP and AppleShare
Hard Drive:	1 x 40Gigabyte with EIDE interface
Network Clients:	Windows 95/98/ 2000/NT4.0, Mac with AppleShare and system 7.5 or later
Network Connector:	10/100Mbps auto-sensing UTP/STP RJ45 Connector
Printer Connector:	bi-directional DB-25 female parallel port
Diagnostic LEDs:	Ready, Error, Disk Full, Disk, and LAN
Power:	External AC Power Adapter, 12VDC, 3.6A
Dimensions:	274 x 210 x 66 mm (10.8 x 8.3 x 2.6 inches)
Weight:	Apprx. 2.06Kg. (4.53 lbs)
Operating Temp:	0° ~ 40°C (32° ~ 104° C)
Storage Temp:	-10° ~ 70°C (14° ~ 158° C)
Humidity:	Operating: 80%, Storage: 90% (non-condensing)
Certifications:	FCC, CE, VCCI, C-tick

TS-D40G

10/100Mbps 40GB Network Attached Storage Server with Single Port Print Server

TOP REASONS THE TS-D40G IS A LASTING TREND

- Easy Integration:** Auto-sensing LAN port connects to either 10 or 100Mbps LAN. Configure using Windows Setup Utility or Web Browser.
- Cost Effective:** Expand network storage capacity for easy configuration and affordability.
- Flexibility:** Attach anywhere on the LAN and allows users on the LAN to access shared files and printer.
- Security:** Share Access Control - Read only, full access, and no access. User level control via User Name and User Group.
- Reliability:** Protect valuable files with backup utility

PRODUCT INFORMATION

- TS-D40G 10/100Mbps 40GB Network Attached Storage Server with Single Port Print Station
- TS-DIK Hard Disk Drive installation kit for TS-D40G
