Application

2. How to Install

Note: For Windows 98SE and Me driver installation, refer to the user guide on the Driver CD-ROM.

Windows Vista/XP/2000

1. Insert the **CD-ROM** into your computer's CD-ROM Drive.

2. Click **Run Install.exe** (Windows Vista Only)

3. The drivers for your operating system will be automatically detected. Your operating system will be highlighted in bold. Click **Install** to install the driver.

4. Click **OK**.

5. Remove the driver CD-ROM from your computer's CD-ROM drive.

6. Connect the Adapter to an available USB port of your computer.

7. Drivers will install automatically.

8. Connect a RJ-45 cable from the Adapter to a Switch, Router or Cable/DSL Modem.

Your installation is now complete.

Thank you for choosing TRENDnet

Q1: Can I connect or disconnect TU2-ET100 while the computer is on?

A1: Yes, you can connect or disconnect TU2-ET100 while the computer is on because the USB interface is Plug-and-Play compliant and hot-pluggable.

Q2: Windows is unable to recognize my hardware. What should I do?

A2: First, make sure your computer meets the minimum requirements as specified in Section 1 of this Quick Installation Guide. Second, try plugging the adapter into a different USB port.

Q3: Windows recognizes my new hardware, but I'm unable to connect to my network. What should I do?

A3: First, verify that the network cable is securely connected from your switch or router to your adapter. Second, verify that the LEDs on your adapter are lit. Third, verify that the TCP/IP settings are set to **Obtain an IP address automatically**.

Q4: How do I install this device on Windows 98SE, ME and Mac OS X?

A4: Refer to the User Guide included on the Driver CD-ROM for installation instructions.

If you still encounter problems or have any questions regarding the **TU2-ET100**, please refer to the User's Guide included on the Driver CD-ROM or contact TRENDnet's Technical Support Department.

Certifications

This equipment has been tested and found to comply with FCC and CE Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference.
- (2) This device must accept any interference received. Including interference that may cause undesired operation.

Waste electrical and electronic products must not be disposed of with household waste. Please recycle where facilities exist. Check with you Local Authority or Retailer for recycling advice.

NOTE: THE MANUFACTURER IS NOT RESPONSIBLE FOR ANY RADIO OR TV INTERFERENCE CAUSED BY UNAUTHORIZED MODIFICATIONS TO THIS EQUIPMENT. SUCH MODIFICATIONS COULD VOID THE USER'S AUTHORITY TO OPERATE THE EQUIPMENT.

ADVERTENCIA

En todos nuestros equipos se mencionan claramente las características del adaptador de alimentación necesario para su funcionamiento. El uso de un adaptador distinto al mencionado puede producir daños físicos y/o daños al equipo conectado. El adaptador de alimentación debe operar con voltaje y frecuencia de la energía eléctrica domiciliar existente en el país o zona de instalación.
