

TC-RJ45 (100 Connectors) CAT5 RJ-45 UTP Connectors

Prepare yourself for Ethernet cabling installation with TRENDnet's CAT 5 RJ-45 UTP Connectors. These connectors are certified 100Mhz CAT 5, which are necessary for all Ethernet connectivity. The TC-RJ45 comes with 100 CAT 5 RJ-45 connectors. It is ideal for Ethernet/Fast Ethernet/Gigabit Ethernet (1000Base-T) network applications. Using TRENDnet's CAT 5 now, will prepare you for more bandwidth in the future without re-cabling your network.

FEATURES

- 8 position unshielded CAT 5 RJ45 clear connector.
- Works great with TC-1KC5G CAT 5 cable, and TC-CT68 Crimping Tool.
- 100 connectors in the bag.
- 1 Year Warranty
